

7th International Symbiosis Society
Congress
July 22-28, 2012
Kraków, Poland

Call for Papers

The ISS has a tradition of organizing dynamic, accessible meetings that make a lasting impact. Join us in beautiful Kraków next summer. Make plans now. Leaders in symbiosis will be presenting, including Takema Fukatsu, Simon Dunn, Franz Oberwinkler, Francois Lutzoni, Monika Bright, et al. Bookmark and access often the web site, <http://www.eko.uj.edu.pl/symbiosis/>

*We look forward to your registration and contributing paper submissions!
This Congress is dedicated to the memory of the esteemed symbiosis leader and innovative science thinker, Lynn Margulis and to the extraordinary symbiologist Gopi Podila.*
